

The Dove's Nest Treehouse

Our little secret, the Dove's Nest, is just about the best way to get away from it all...

Overlooking the open tree-lined vlei and pan where giraffe and elephants commonly come to drink, this rustic gem is a perfect vantage point from which to view wildlife safely, quietly. Just the two of you.

Kept simple, as a tree house should be, the bedroom of the Dove's Nest is reached by a wooden stairway and with a closeable door. You won't have to forego your hot shower and warm bed and the location is second to none.

A complimentary offer to all who stay at The Hide.

There are few things more exciting than spending a night out in a tree house.
