

Directions to Meno A Kwena Tented Camp on in the Ngwato Tribal District of the Makgadikgadi Pans National Park.

DIRECTIONS FROM MAUN VIA CROSSROADS...

PLEASE NOTE THERE ARE NO SIGNS ON THE MAIN ROADS SO MAKE SURE YOU UNDERSTAND AND FOLLOW THESE DIRECTIONS

The reason for not having signs on main roads is that we are a small exclusive safari camp for pre-booked and pre-paid guests only...

Follow the Francistown road for approximately 80kms.

Turn RIGHT to Motopi across the Boteti River (3kms).

At Motopi, turn LEFT onto the road to Rakops.

Drive 26.7 km, you will see a Cross Roads sign (the only one along that stretch of road) where you turn LEFT onto a dirt track. LOOK OUT FOR THE LARGE ACACIA TREE ON LEFT WITH PAINTED WHITE TRUNK (SEE IMAGE BELOW).

Drive for 2.3 kms (FOLLOW WHITE ARROWS PAINTED ON TREE TRUNKS) until you get to the old Rakops Gravel Road, Turn RIGHT. Travel for 2.2 kms on the gravel road until you get to the Meno A Kwena sign; turn LEFT onto the 4X4 track to the fence.

At the Makgadikgadi National Park fence there are two gates, **please make sure both gates are closed properly behind you.**

The gate is not locked and at the moment there is no power going through it, we will advise when this changes.

Follow the track STRAIGHT marked with yellow arrows into camp (500metres). **DO NOT DRIVE ALONG FENCE**

(Please note you need a 4x4 to get to camp, it is not possible to get there with a saloon car or a 2 wheel drive vehicle)
